King Bruce has been a famous king of Scotland in Europe. He was a true patriots. He was very brave and courageous also. The ruler of England was very jealous of him. He raised a large army and invaded scotland. Unluckily Bruce suffered a defeat and he had to run for life so the country of scotland came under the English rule.

King Bruce made six brave attempts to free his country from the English yoke but all in vain. so he was disappointed. He ran to the forest and hid himself in a cave. He was going to give up trying any more.

Suddenly the king's eyes fell on a spider hanging from a thread. It was trying to reach its cob-web. Every time it went up, it slipped down but it went on trying again and again. It went on making effort after effort non stop. Bruce counted nine brave attempts of the spider. Still it could not reach the cob-web.

The king was sure that the insect would now leave attempting any more. But he was in the wrong. Nine failures did not discourage the spider. After taking a little rest it started its tenth attempt. Step by step it went up. At first the king said, "Silly Spider! why doesn't it leave the attempt?"

But the king was surprised to see that this time the spider was just at the door. Step of its cob-web. The king thought surely I too, must try again to win my throne. Bruce raised again an army and invaded his enemy with such a force that he got a grand victory.
